

Vikings Meet Mancelona In Tournament Thursday Night

Frederic Draws Mio For Thursday Too

The Grayling High Vikings will meet Mancelona in the first round of Class C district tournament play at the Gaylord Gym on Thursday night at 7:15 p. m. At 8:30, the Grayling Blue Devils will meet East Jordan in the second round. Winners of the two matches are slated to bump heads at 8:30 Saturday night for the championship.

Viking mentor Bruce Smith has selected a squad of twelve players to go to the tourney game.

Results of these two forces, more needs and less money: A state deficit in the 1949-50 fiscal year (ending June 30, 1950) the operating deficit was \$457.7 millions. This net deficit due to previous budgetary decisions was around \$21 millions. The deficit by June 30, 1951 had grown to \$40.8 millions. Now the bottom of the barrel is in sight and an accumulative deficit of \$50 to \$60 millions is seen by June 30, 1952.

Obviously a source of more money must be found at once by the State Legislature. The question is: Where?

Governor Williams offers a painless remedy of a tax on corporation profits. He insists, with a straight face, of course, that "big business" would foot the bill for public benefits. It smacks of Huey Long's spread-the-wealth cracker crusade: "Every Man a King."

Auditor General John B. Martin comments: "It is imperative that the legislature should act in 1952 to solve this financial problem. The state lacks authority to borrow money. We must get back on a pay-as-you-go basis."

This year G. O. P. legislators are trying to solve the problem in one of more of the following ways:

- (1) Immediate economy by "holding the line," saying "no" to requests for more money.
- (2) Long-range economy by streamlining state government, such as recommending by the Little Hoover Commission which was created by the legislature.
- (3) Revision of the state constitution by convention to modernize our present crazy-quilt system.
- (4) Raise \$50 to \$80 millions more revenue by recapturing some state aid now returned to local governments and levying a number of small taxes on both business and consumers.
- (5) Reducing the inventory of the state liquor control commission from \$1.5 to \$15 millions.

State Treasurer D. Hale Brake is of the opinion that the state must get some "quick money" this spring. "Our cash balance has been running down to around \$15 millions," he said. "We're in a danger zone at that point."

What kind of "quick money" does Brake suggest?

The liquor inventory could be reduced, for example, he explained. "The state's markup of profit could be temporarily boosted."

"Some of the intangible tax revenue could be recaptured. These are quick ways to get more money as contrasted by new taxes which might not be productive until next year."

Governor Williams' answer is emphatic: Republicans are controlled by "big business"; they wish to put tax burdens on the consumer. The governor defends the needs of local governments; he champions the colleges and public schools and so on.

It is all window dressing for the November election. Williams knows he must swing over the independent Republican vote if he is to be re-elected for a third term. The CIO labor vote is already in the bag. Hence the strategy: Divide the Republicans.

It's an old military tactic. Williams believes it will work.

A very dim outlook is held by legislators on any new building programs for colleges or other state institutions. Rep. Arnell Engstrom (R-Traverse City) says capitol outlay will be drastically cut except for buildings already under construction.

Dr. John Hannah of MSC was hit hard by the announcement by Rep. Engstrom that the program would be slashed. He pointed out that a new library for the college is "impairative," the old one being constructed for an enrollment of 2,500 students. MSC now has 13,000 students. The college has requested \$1,500,000 to start construction on a \$4,875,000 library building. Williams says he will put the full amount in the next

ers to go to the tourney game. They are: Jim Burth, Dave Owens, Marvin Belski, Allen Luckstead, Duane Worden, Al Joslyn, Dale Pettigall, Rog Kessler, Monte Malonen, Ted Davenport, Ronnie Larson and Dale Kenyon. Held in reserve to replace the first 12 in case of illness or accident halts their traveling to Gaylord are: Larry Pond, Pete Millikin and Don Stephan.

Burth suffered a sprained ankle in practice late last week and Coach Smith thought he feels that Burth will be ready to play said that it might weaken the team.

Gaylord, who Grayling defeated twice this year, once in an overtime, has also lost the services of a player. It was reported that a new, very tall, forward had injured his shoulder in a fall on the ice and would not be able to play. Likewise, East Jordan in a game at Mancelona last Friday night which they won, probably lost the services of their tall, accurate shooting center for tournament play when he turned an ankle and had to be carried from the floor. Mancelona is losing Friday night played very sloppy ball and unless they return to their former brand of ball will have a hard time with the Vikings tonight.

Grayling defeated Mancelona here on January 8 by the close score of 61 to 60. This is the only time this season that the two teams have met. Many must improve a great deal from their last week's showing or they will go down to defeat before Grayling tonight. Grayling has not played East Jordan this year so if the Jordanians are victorious over Grayling, the Saturday night game is hard to figure out. If on the other hand, Grayling should win, Grayling would have an inside chance to win the district championship.

Frederic is given no chance whatever in their first tournament game. They will play in Houghton Lake district tournament and had the misfortune to pick Mio to face at 7:30 tonight. Mio, picked as one of the best, if not the best Class D team in Northern Michigan, should have little trouble in taking Frederic into camp. The other half of Class D play at Houghton Lake pits McBain Christian against Merritt while in Class C, Harrison meets Marion which should be a ding-dong battle. Houghton Lake meets Roscommon with Winners to meet Saturday night.

Class D play at Gaylord has entries from Alba, Hillman, Vanderbill, Atlanta, Johannesburg, and Gaylord St. Mary's. They have slated two games Wednesday night, two more Friday night with the championship to be decided prior to the Class C battle Saturday evening.

To Check Local Students For T. B.

As a check against unknown tuberculosis, school students in Grayling and Crawford county will be among those given the simple tuberculin patch test. Dr. C. E. Merritt, district health unit director announced this week. Tests will be given by health department nurses in the last two weeks of March, but advance arrangements for the health program are already underway. With the cooperation of parents, schools and the Michigan Tuberculosis Association, Dr. Merritt said the survey should reach about 4,000 school students in Crawford, Kalamazoo, Muskegon, Roscommon and Wexford counties.

Parents are now being asked for permission to have their children given the simple check-up. Supplied through tuberculosis Christmas Seal dollars, the tuberculin patch tests consist of specially treated pieces of adhesive. The testing tape is applied on the arm of students. Two days later, students will be advised to remove the adhesive. Then, in two to three more days, the area of skin covered by the tape is examined. If the student has tuberculosis germs in his body, the area of skin which was under the tape will show a red raised reaction.

A reaction is no cause for alarm but it should be followed by a chest X-ray, just to make sure TB germs aren't gaining a foothold. Most students who react to the test will have normal chest pictures, Dr. Merritt added. But all reactors should have periodic chest X-rays as a precautionary measure.

The testing program here will be followed by a chest X-ray clinic at a time to be set later.

Also supplying educational materials to explain the testing, the Michigan Tuberculosis Association again emphasized seven basic facts everyone needs to know about tuberculosis:

- 1 Tuberculosis is caused by a germ.
- 2 Tuberculosis is "catching."
- 3 You can't inherit tuberculosis from your parents.
- 4 You can have tuberculosis without feeling sick.
- 5 The doctor can tell whether or not you have tuberculosis by X-rays and other tests.
- 6 Tuberculosis usually can be cured if found early enough and treated properly.
- 7 The tuberculosis hospital is the best place to go to be treated and to protect others from your germs.

John C. Palmer Laid To Rest

Funeral services were held at 1 P. M. Thursday, February 21, from the Colonial Chapel, Reigel Funeral Home, Flint, Michigan for John C. Palmer, age 74, who died February 18 at his home. Dr. J. E. Moynaux officiated and burial was in Grace Lawn Cemetery.

He was born in Jackson County, Michigan, and had lived in Flint the past thirty-two years, going there from Boyne City. He married Maude H. Williams in Boyne City in 1906 and was a member of the First Presbyterian Church. He was employed at Buick Motor Division for 27 years until his retirement in 1950.

Surviving are his wife, Maude; daughter, Mrs. Harry Darling of Flint; 2 granddaughters; sister, Mrs. Timothy Webb of Flint; and brother, George Palmer of Bell-Aire, Michigan.

Department Gives Lake Trout Information

During recent weeks, the Conservation Department has had numerous inquiries regarding the ages of the lake trout taken by fishermen from Higgins Lake. With the exception of the war years when sufficient man power was unavailable, all of the lake trout released in Higgins Lake have been fin clipped for identification purposes. Two year old lake trout when planted are generally from seven to ten inches in length. The ten and twelve pounders with the clipped dorsal fin which are now being taken were planted in 1941. The following shows the numbers of lake trout planted in Higgins Lake each year and the fin that removed.

Year	No. Stocked	Fin Removed
1941	4,165	Dorsal
1942	5,000	Dorsal
1943	8,000	Dorsal
1944	None	None
1945	4,000	Dorsal
1946	8,000	Dorsal
1947	8,000	Dorsal
1948	3,600	Andipose
1949	8,000	Left Pectoral
1950	10,300	Right Pectoral
1951	10,000	Left Pelvic

Kiwanis Club Notes

Barbara Fenton, Donald Thompson and Robert Lovely, all Grayling High School students gave the program at the regular weekly meeting of the Kiwanis Club of Grayling held Monday evening at the Long Pine Inn. The program was in charge of Ray O. Miles.

The three students gave a graphic and complete history of the White House in Washington, D. C. from the time it was an idea through the present day remodeling program. Of especial interest was the story of the burning of the structure by the British during the War of 1812 and items such as the installation of running water, etc.

The three students also showed two stones from the White House which they acquired from a modeling which had once been part of the famous building. These stones mounted on boards were presented to Grayling High School two weeks ago by the class of 1956.

VanZile P. Smith was inducted into the club as a new member Monday evening. Those taking part in the installation were Emil Gleigling and Russell Allen. The membership pin was presented to the club's newest member by Charles E. Moore.

Red Cross Fund Drive Continues

Have you joined the Red Cross yet, Mrs. Housewife? You say your husband gave at work. Fine. But remember the Red Cross is founded on the principle of individual not family memberships. You too can serve through Red Cross by a separate contribution. \$1,200 is not a large sum to raise when one figures that the population of Crawford County is over 2,000 people. If you can't give a lot give a little. It all counts. Let's reach the quota this year.

Following is the Red Cross home service report for the past year. This tells what happens to the money from Red Cross contributions left in the county. This year 48% of the quota is to stay in the county. Here is how it is used:

During the past year home service has handled over 70 different cases. Some of these have occurred more than once during the year. Thirty-nine concerned service men and their families, twenty-seven were veterans and the balance were civilians. Over \$500 has been expended in loans, grants, telephone and Western Union bills, stationery and postage. Loans made during the year totaled \$202 of which about 50% have been repaid to date.

Emergency furloughs and extensions of furlough have been one of the largest items on the program this year.

Also home service, chairmanned by Mrs. J. J. Martin, has co-operated with and given considerable time and assistance to the Field Director, covering the National Guard encampments here last summer.

Another service provided to Crawford County residents by the Red Cross is the loan closet. In other words the Red Cross has the following to loan, a hospital bed, wheel chairs, sheets and pillow cases, blankets, ice caps, hot-water bottles, pans and the like needed in the care of people who are ill. This is a much used service. Anytime needing anything from the loan closet can get them by calling Mrs. Maurice Gorman or Mrs. Leo Jorgensen.

If a volunteer Red Cross worker has not called on you as yet he or she will soon. Give not to the Red Cross but through Red Cross. Remember you or your family may need the Red Cross sometime and your contribution helps those who need the Red Cross now.

Large Group Witnesses O. E. S. Initiation

Around fifty members and friends witnessed the initiation of three candidates, Mrs. Esther Gardopoe of Lovells and Mr. and Mrs. John MacAuley into the Order of Eastern Star at the Masonic Temple Wednesday evening, February 27.

J. L. Martin and Mrs. Emil Niederer were given hearty welcomes back into the order.

Because of the illness of the treasurer, Mrs. Thomas Haugh, Mrs. Laura MacLeod filled her chair. Mrs. Clayton Straehly filled the station of Electa for Mrs. Hurl Deckrow and Mrs. Lillian Houghton the station of sentinel for Hurl Deckrow.

The Deckrows are making a vacation trip in the west. Mrs. June Taylor favored the group with songs through out the evening.

After the meeting a nice lunch was served in the prettily decorated dining room carrying out the spring motif, by a committee chairmanned by Mrs. J. L. Martin. Assisting here were Mrs. William Kinkert, Mrs. George Schlabbe, Mrs. June Taylor, Mrs. Elsie Larson and Mrs. John Erkes.

The office of Dr. J. F. Cook, D. S. will be closed from Mar. 1st through March 24. In case of emergency call 4451.

Steal St. Mary's Kids Club Fund

About \$167, mostly funds of the St. Mary's Annie Oakley youth club, were stolen from the St. Mary's rectory last Thursday. Father John Breitenstein reported. The robbery is under investigation by Grayling City Police, Sheriff Wm. Goltick and the Michigan State Police. Father Breitenstein said that the funds were in boxes and included petty cash collection from the night before at the church as well as the youth club's funds. All were in a safe in the rectory but the safe was not locked.

It was believed that the thief was familiar with the fund and where they were kept as Father Breitenstein's car was in the driveway all of the time and he was absent from the rectory only to say mass at the church and to have breakfast. Some time during this period, the money was taken, he said.

Rites To Be Read For Mrs. Marie Jensen

Final rites are to be read today March 8 for Mrs. Marie Jensen, at the Grayling Evangelical Lutheran Church at 2 P. M. Rev. John Enselmann is to officiate.

Mrs. Jensen passed away at Grayling Mercy Hospital at 3:00 A. M. on Tuesday, March 4th after two months of illness. She was born Marie Alvilda Julia Sorenson to Severine and Marlene Sorenson in Falster, Denmark on April 12, 1877. She came with her parents to this country and on January 15, 1897 married Waldemar Jensen in Grayling, where she had since made her home. Mrs. Jensen, who was well known here for his fine painting, passed away on June 7, 1937. A son preceded Mrs. Jensen in death. She was a member of the Grayling Evangelical Lutheran Church. Surviving are a great number of nieces and nephews.

Among those here to attend the services are Mr. and Mrs. Vern Neurenberg of Port Sanilac and Mrs. Louise Hodgins of Port Huron.

Dr. Cook Addresses Grayling P. T. A.

Dr. J. F. Cook was guest speaker at the Parent-Teachers Association meeting held Wednesday evening, February 27 at the south side school. His talk was on fluorine treatment of teeth. The Kiwanis Club of Grayling is sponsoring this treatment for children in the second, fifth and eighth grades. He also showed a movie called "Come Clean" having to do with a trip to the dentist and the proper cleaning of teeth. A discussion period followed.

Cherry pie and coffee were served. On committee were Mrs. Otis Hunter chairman, and Mrs. Howard Madsen, Mrs. Reese Cox, Mrs. John Schofield, Mrs. Clinton Bancroft, Mrs. Roy Lovely, Mrs. Willard Harwood, Mrs. Harley Kennedy, Mrs. Floyd SanCarter, Mrs. Aubrey Blaine, Mrs. Roy Smith, Mrs. Ray Walte, Mrs. Charles Tinker, Mrs. Charles Owen and Mrs. W. H. Farmer.

There is to be a special meeting of the P. T. A. on Friday, April 4 at which time thirty members of the Apple Blossom Club of Central Michigan College of Education will put on a program. This will be in addition to the regular April meeting.

The Grayling Evangelical Lutheran Junior Aid had a series of home phoche games at different homes Friday evening. High score was held by Mrs. Sena Wium with a score of 4140 for four games.

Mrs. William Martin has returned home after spending a week in Portland, Indiana, visiting her father, Chester Cox.

Charles Piper and Grover Cox were in Bay City Monday on business for the Bear Archery Company.

M.S.C. Men's Glee Club To Appear Here March 26

The 84 voices of the Michigan State College Men's Glee Club under the direction of Dr. David F. Machtel is again to tour the Lower Peninsula of Michigan.

The group will appear in Grayling at the High School Gym at 8:15 P. M. on Wednesday evening, March 26 under the auspices of the Grayling Kiwanis and Women's Club and M. S. C. alumni for the benefit of the Community building.

Admission is to be \$1.00 for adults and 50c advance students. Tickets for students. Student tickets will be available at the High School. Serving on the ticket committee are Jack Alef, Larry Gathhouse and Les Hunter.

Over night accommodations for the group are in charge of the Women's Club. Mrs. John Peterson is chairman of the committee and is being assisted by Mrs. Dale Pettigall, Mrs. Frank Bond and Mrs. Robert Bovee.

Proceeding the entertainment the group will be served dinner at Michelson Memorial Church. Food for the meal will be solicited. Mrs. Tom Robertson is chairman of this committee and is being assisted by Mrs. Ernest Borchers and Mrs. Ernest Johnson.

It is a treat for any audience to hear the Michigan State College Men's Glee Club. This carefully selected group of singers in perfect balance offers well-built programs of great variety and the fine musicianship and magnetism of Dr. Machtel never fails to fascinate a crowd.

This grade of entertainment is rarely available in Grayling. Take advantage of the opportunity and enjoy a program of fine music.

Rites Read In Detroit For George Long

George Long, age 78, of Roscommon succumbed at Mercy Hospital on Saturday, March 1st. The remains were taken to Detroit Saturday, where services were held on Tuesday, March 4th, from the Turowski Funeral Home. Burial was in Oakview Cemetery, Royal Oak.

Mr. Long was employed by the Packard Motor Car Company in Detroit for 25 years before moving to Roscommon in 1939. Mrs. Long passed away about a year ago.

Surviving are three sons, Alfred, Charles and Harold, and two daughters, Phyllis and Delores.

Several young folks from here, attended the Youth Rally at Calvary Baptist Church in Grayling.

Mrs. Pearl Babbitt went to Lansing on Thursday night to attend the graduation exercises of her daughter, Shirley, who has completed a six weeks course at M. S. C. and to accompany her home.

The T. N. T. Club met at the hall Saturday night. Although there weren't many members present, a short business meeting was held. It was decided to have a "Spring Dance" on March 22nd, with a cake walk during the evening. Let's see a good crowd out on this night. The club needs the support of the community to keep it going. It's standing behind our boys in service and we're trying to keep it together to provide a means of good clean entertainment in our community. So let's turn out and bring our friends.

Answer The Call

With the simple plea "Answer the Call," the American Red Cross this month makes its annual appeal for funds to carry on its local national and international work.

Here, surely, is a call we must all answer generously and with a full measure of warm-hearted approval. For the call of the Red Cross is the call of suffering humanity everywhere—of human beings in need or distress across the street or across the nation. It is a call which Americans have never failed to answer.

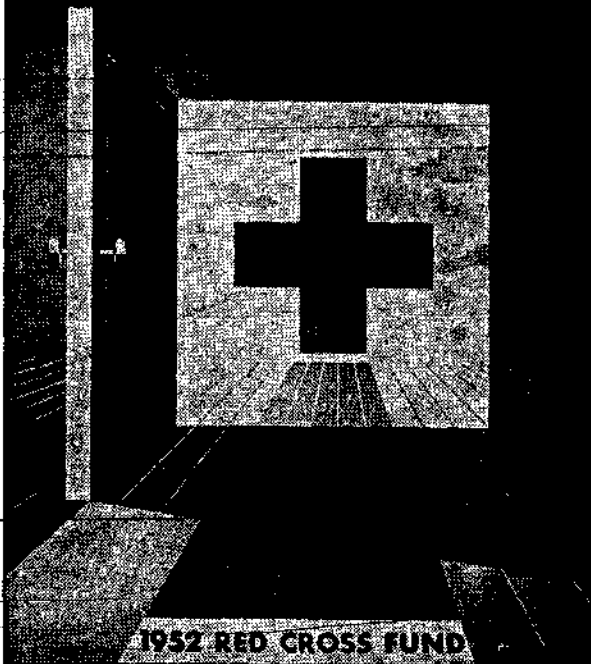

It is particularly appropriate, too, that the Red Cross should make this appeal, because few other organizations are so much a part of American life. The Red Cross is not an organization apart from the people of this country. It is made up of the people themselves.

When it acts, anywhere, it acts in your behalf—doing what you would do if you were at the scene of disaster or at a soldier's side in Korea or Europe. It is you who makes its great work possible by your gift of time and energy and money.

And it is you from whom it exists—no matter who you are, no matter where you live. For Red Cross service is available to all, freely and without question, on the simple human basis of need alone.

Answer the call of the Red Cross this month when you are asked to support its great humanitarian work. Answer as generously as you can.

"Either the state exists for the individual or the individual exists for the state. In the latter case you have dictatorship, whether you call it Communism, Fascism, or Peronism, and how far the dictator goes depends on his own ruthlessness and the character of the people under him."—The Wall Street Journal.

Red Cross Fund Campaign Poster For 1952**Answer the call**

Featuring an open door and the spirit of the Red Cross entering the homes of America, the 1952 Red Cross campaign poster asks all Americans to Answer the Call of humanity. It is the work of Joseph Binder, internationally known New York poster artist.

Call out the Reserves
with a touch of your toe!

Most cars lead a double life.

A good part of the time, they're running errands, taking children to school, taking women to stores, taking men to work, taking family and friends to clubs and social functions.

It doesn't call for a very great output of horsepower for duties like these.

But there are times when you want a car that can do vastly more, and these are the times when you'll want what this year's ROADMASTER has to offer.

Beneath its proud hood, there's a Fireball 8 Engine—a valve-in-head that can let loose 170 lively horsepower when needed.

And—alongside this engine—there's also an Airpower carburetor which thrifly feeds fuel and air through two smaller-than-usual barrels for normal driving—which means that you now use less gas at 40 than you'd formerly use at 30.

But there are two barrels in reserve—waiting for you to call them into action—and they let loose a soaring rush of power that sinks your shoulders back into the seat cushion, swoops you past a truck—out of a tight spot—up a hill—sets your speedometer needle to registering

added miles more than twice as fast as your watch can tick off the seconds.

This is an experience you certainly should know firsthand.

You should also know how Buick's Power Steering* provides a helping hand in slow-motion maneuvers—lets you keep the "feel" of the car in straightaway driving.

And just for good measure, this '52 ROADMASTER also has the biggest brakes of any postwar Buick—the greatest trunk space since spare tires moved off the front fenders—a warning light that glows when the parking brake is set—and to top it all, the smartest interior fabrics that Buick has ever offered.

When are you coming in to look this distinguished performer over? We urge you to make it soon.

Equipment, accessories, trim and models are subject to change without notice. *Optional at extra cost on ROADMASTER only.

From where I sit... by Joe Marsh

They Do
"Give A Hoof" For Easy

Easy Roberts finally got rid of the noisy pigeons that used to whoop it up under his eaves.

He must have tried a dozen ways to scare them off. But no matter what he did, they would be right back cooing by his window the next morning.

Then Easy thought of an old stuffed owl he had in his attic. He propped it on the roof so all the pigeons could see it. They left... and three hoot owls have taken their place. Easy swears the hooting is even worse than the cooing of the pigeons.

From where I sit, quite often a "bright idea" will turn out to be "not so bright" after all. That's why we should never be too cocksure of our ideas and opinions—but always try to keep an open mind. I believe a refreshing glass of beer is the best thirst-quencher — you may believe differently. But who's to say one's right and the other is wrong? Let's just practice tolerance. It'll save a lot of hootin' and hollerin'.

American College Of Surgeons Approves 3,352 Hospitals

Grayling Mercy Hospital Included In List

The thirty-fourth annual list of hospitals either fully approved or provisionally approved by the American College of Surgeons, as of December 31, 1951, totals 3,352 institutions in the United States, Canada and few other countries. The Approved List of Hospitals is included in the College Bulletin dated March, 1952. Grayling Mercy Hospital was included in the approved list.

The survey list in 1951 included 4,111 hospitals of 25 or more beds, of which 81.5% are approved. Of the 3,352 total approvals, 2,991

or 72.7% are fully approved and 361 or 8.7% are provisionally approved.

Every hospital under survey is reconsidered for approval each year. The College conducted 83 initial hospital surveys during 1951. Forty-one of those institutions were awarded full or provisional approval. The Point Rating System by means of which hospital departments and services are separately evaluated, is employed in the surveys.

The Standard for Hospitals upon which approval is based include the following fundamental principles:

1 Modern physical plant, assuring the patient safety, comfort and efficient care.
 2 Clearly defined organization, duties, responsibilities and relations.

3 Carefully selected governing board with complete and supreme authority.
 4 Competent chief executive officer or administrator, well trained in all phases of hospital administration, with authority and responsibility to interpret and carry out the policies of the hospital as authorized by the governing board.

5 Adequate and efficient personnel, properly organized and competently supervised.

6 Organized medical staff of ethical, competent physicians and surgeons.

7 Adequate diagnostic and therapeutic facilities under competent medical supervision.

8 Accurate, complete medical records, readily accessible for research and follow-up.

9 Regular group conferences of the administrative staff and of the medical staff for reviewing activities and results so as to maintain a high plane of scientific efficiency.

10 A humanitarian spirit—the primary consideration being the best care of the patient.

Dear Mrs. Strong:

I noticed an article in the Avalanche we received yesterday that the 1952 Red Cross Fund Drive is getting under way. I wonder if you might be interested to know that I am presently working for the Red Cross at Mare Island Naval Hospital. Like a lot of people I came to the Red Cross for years without knowing very much about the organization or its services. After working for Red Cross for several months and observing some of the fine work being done here for the hospitalized servicemen, many of them evacuees from Korea, I am completely sold on the organization.

Sometimes a man's pay record does not accompany him to his new station and for a time he has no money. The Red Cross provides him with comfort items such as soap, shaving cream, comb, cigarettes, stationery, stamps etc. At times families do not hear from their man in service and are concerned for his welfare. The Red Cross will contact the patient and his physician and reassure the family as to his well-being. The Personal Service Grey Ladies who are volunteers, are doing a fine job here at the hospital performing many small services for the bed patients such as letter writing, running errands, etc. These are only a few of the many services rendered by the Red Cross to the patients here at Mare Island Hospital.

The spirit and courage of the kids hospitalized here is a wonderful thing to behold. One boy who is flat on his stomach in a body cast is wheeled over several times a week to play shuffleboard in our Red Cross Recreation Hall. He's good too! Some of the patients have a Hull Billy Band which plays for dances twice a week. A Marine Sergeant calls the squares. My contact with the patients has been a real inspiration.

I had no idea that the Red Cross was such a large, well-organized and efficient organization. My contribution will be a substantial one from now on you may be sure.

Sincerely
 Muriel Courtney

Civil Defense Movies Now Available

Would you like to show Civil Defense motion pictures at your next club, community, school or union meeting?

The Michigan Office of Civil Defense has more than 60 films on 13 different Civil Defense subjects which can be borrowed without charge.

The films include real-life pictures of the atomic bombings and destruction at Hiroshima, Nagasaki and Bikini. They show what one can do to protect himself in the event of enemy attack; what one should know about germ warfare; how to fight fires in one's home. They include animated cartoons illustrating for children what they should do in the event attack occurs while they are in school, on the playground or on the streets. They show how industrial plants should prepare to protect our vital military production.

They show bombed European cities and the hazards created by disordered mass fleeing and tell why it is necessary for cities to protect themselves with adequate civil defense organization. They show the functioning of adequate community Civil Defense.

If you wish to show Civil Defense motion pictures, contact your local Civil Defense Director who has a list of films available for various audiences; or write to the Michigan Office of Civil Defense.

Your request for films should be made several weeks in advance. It should include the title of the film desired and the title of an alternate film if possible; the exact date and hour of showing; the size and type of audience, as well as the name, address and phone

Annual Tax Sale

STATE OF MICHIGAN,
In the Circuit Court for the County of Crawford
In Chancery, No. 323

In the Matter of the Petition of John B. Martin, Jr., Auditor General of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

On reading and filing the petition of the Auditor General of the State of Michigan praying for a decree in favor of the State of Michigan, against each parcel of land therein described, for the amounts therein specified, claimed to be due for taxes, interest and charges on each such parcel of land, and that such lands be sold for the amounts so claimed by the State of Michigan.

It is ordered that said petition will be brought on for hearing and decree at the April term of this Court, to be held at Grayling in the County of Crawford, State of Michigan on the 8th day of April, A. D. 1934, at the opening of the Court on that day, and that all persons interested in such lands or any part thereof, desiring to contest the lien claimed thereon by the State of Michigan, for such taxes, interest and charges, or any part thereof, shall appear in said Court, and file with the clerk thereof their objections thereto on or before the first day of the term of this Court above mentioned, and that in default thereof the same will be taken as confessed and a decree will be taken and entered as prayed for in said petition. And it is further ordered that in pursuance of said decree the lands described in said petition for which a decree of sale shall be made, will be sold for the several taxes, interest and charges thereon as determined by such decree, on the first Tuesday in May thereafter, beginning at 10 o'clock a. m. on said day, or on the day or days subsequent thereto as may be necessary to complete the sale of said lands and of each and every parcel thereof, at the office of the county treasurer, or at such convenient place as shall be selected by him at the county seat of the County of Crawford, State of Michigan; and that the sale then and there made will be a public sale, and each parcel described in the decree shall be separately exposed for sale for the total taxes, interest and charges, and the sale shall be made to the person paying the full amount charged against such parcel, and accepting a conveyance of the smallest undivided fee simple interest therein; or, if no person will pay the taxes and charges and take a conveyance of less than the entire thereof, then the whole parcel shall be offered and sold. If any parcel of land cannot be sold for taxes, interest and charges, such parcel shall be passed over for the time being, and shall, on the succeeding day, or before the close of the sale, be reoffered, and if, on such second offer, or during such sale, the same cannot be sold for the amount aforesaid, the County Treasurer shall bid off the same in the name of the State.

Witness the Hon. John C. Shaffer, Circuit Judge, and the seal of said Circuit Court of Crawford County this 31st day of January, A. D. 1934.

Countersigned,
Leo E. Lovely, Clerk

STATE OF MICHIGAN.

In the Circuit Court for the County of Crawford
In Chancery.

In the Matter of the Petition of John B. Martin, Jr., Auditor General of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

To the Circuit Court for the County of Crawford, in Chancery.

John B. Martin, Jr., Auditor General of the State of Michigan, respectfully shows unto the Court:

1. That he is the Auditor General of the State of Michigan and makes and files this petition under, by virtue of and pursuant to the provisions of Act No. 206 of the Public Acts of 1893, as amended, and Act No. 126 of the Public Acts of 1933, as amended;

2. That Schedule A annexed hereto is the tax record required by the act first above mentioned and contains the description of all lands in the aforesaid county upon which taxes, which were assessed for the years mentioned therein, have remained unpaid for more than one year after they were returned as delinquent, the description of all lands in said county heretofore bid off in the name of the State and thus held and upon which taxes which were assessed subsequent to the tax for which such lands were sold to the State have remained unpaid for more than one year after they were returned as delinquent, and the description of all lands in said county which are delinquent for any installment of taxes under the provisions of the act last above mentioned;

3. That extended separately in said schedule against each description of said lands therein contained are (a) the total amount of delinquent taxes upon said description for the non-payment of which the same may lawfully be sold at the next annual tax sale; (b) interest computed thereon as provided by law to the first day of May, next ensuing; (c) a collection fee of four per cent and (d) \$1.00 for expenses, all in accordance with the provisions of the act first above mentioned;

4. That all of the aforesaid taxes, interest and charges are valid, delinquent and unpaid, and have remained delinquent and unpaid for sufficient time to authorize and require, as provided by the foregoing acts, the sale of the aforesaid parcels of land against which they were assessed and are extended in said schedule at the next annual tax sale for the non-payment thereof, and that the said taxes, interest, collection fee and expenses so extended in said schedule against each parcel of land therein described constitute a valid lien upon each of the said several parcels of land described in said schedule as therein and against which extended in favor of the people of the State of Michigan, the payment of which lien this court may enforce as a preferred or first claim upon such lands by the sale thereof.

Wherefore your petitioner prays:

a. That within the time provided by law this court may determine and decree that the aforesaid taxes, interest, collection fee and charges are valid and constitute a valid lien upon each of the said several parcels of land described in said schedule as therein extended;

b. That within the time provided by law this court make a final decree in favor of the State of Michigan against each parcel of said lands for the payment of the several amounts of taxes, interest, collection fee and expenses, as computed and extended in said schedule against the several parcels of land therein contained;

c. That said decree provide that in default of the payment so ordered of the said several sums computed and extended against said lands in said schedule, the said several parcels of land, or such interest therein as may be necessary to satisfy the amount decreed against the same, shall severally be sold as the law provides;

d. That your petitioner may have such other and further relief in the premises as to this court may seem just and equitable.

And your petitioner will ever pray, etc.
Dated, January 28, 1934.

JOHN B. MARTIN, JR.,
Auditor General of the State of Michigan,
for and in behalf of said State.

MYSTERY OF WARNING DREAMS

Dr. J. B. Rhine, noted Duke
University psychologist, recounts
dreams of people who actually
have foreseen future events. Are
warning dreams that come true
mere coincidences or can people
really foretell the future? Read
Dr. Rhine's illuminating article

STARTING NEW VOGUE FOR IKE . . . In Philadelphia, Pa., pretty Anna Fiero, of that city, goes all out for her choice as president of the United States in the coming election—General Dwight D. Eisenhower. Anna is wearing on her head a new creation, an "I like Ike" beauty and a bow tie to match. A smiling portrait of General Eisenhower is a fitting backdrop.

Bits O' Talk

Mrs. Bruce Smith spent the first of the week in Detroit.

Mr. and Mrs. John Brady returned from Ft. Worth, Texas, where they had spent a month visiting their daughter and husband, Lt. and Mrs. Harry Weideman. Their son, Bob, drove them home from Detroit and spent the week end.

The Tip Top To Go Shop will be closed until April 15th.

CANCER CURES

Crawford County's quota for Cancer this year is only \$360.00. When we consider uses for the same, we are appalled by the amount of help.

Thousands of lives will be saved by the American Cancer Society's funds, this coming year. Most of them would have died of the disease just a few years ago. They are being saved by the products of recent research — new types of surgery and new ways of delivering heavy doses of X-rays and radium.

What does that mean for Crawford County? Any patient can have his case cured, by early detection. He may contact our Crawford County Cancer Society's Commander at any time for information and help of any kind.

Suppose a doctor informed a patient that he had the beginnings of cancer, the Crawford County Cancer Society is only too willing to aid, if contacted.

The cancer can be cured if diagnosed sufficiently early.

Let us help to use it, (fund) for the right purpose. Two residents have been cured this past year.

The tremendous amount of research done throughout our country is marvelous.

Crawford County's quota is only \$360.00.

Mrs. Emma MacAuley
Commander.

Michigan Mirror

(Continued from Page 1)

The St. Lawrence Seaway project is gaining momentum in Washington despite Upper Peninsula complaints that it would hurt the UP mining industry. Latest development is a move by Sen. Aiken (R-Vt.) to set up a government controlled operation with authority to issue \$485 million in revenue bonds to finance the project.

College students apparently share apathy honors with their parents when it comes to voting. At Michigan State College, the 2,000 seniors were given ballots to decide definitely if a Saturday commencement program should be set up. Students had been complaining bitterly of the Saturday plan of last year. In one week the students returned only 340 ballots.

However Michigan's new elections director predicts the state will cast a record 2,300,000 votes this fall. Reason: mounting party interest, high potential strength of candidates, increased public attention to political and governmental issues such as possible vote on gasoline tax or reapportionment.

The U. S. Coast Guard has predicted the Great Lakes will be open for navigation March 23. On that date the coast guard icebreaker will begin clearing a channel through the St. Mary's river.

Michigan, still uncommitted on its choice for Republican presidential nominee, may hold the hammer in the Chicago convention next July. The state has a sizeable chunk of delegates to the convention—and it has not yet had a standing count of delegation leanings. The delegates should be well treated in Chicago—at least until they declare themselves.
